
Euro Truck Simulator 2 - Polish Paint Jobs Pack Password

Download ->>> <http://bit.ly/2SONadF>

About This Content

Customize your truck with your country flag! A choice of four unique paint jobs will come handy if you feel you need to show your affiliation...

- Glorious Eagle
- Wings of Freedom
- Polish Flag Metallic
- Polish Flag Decal

All of these themes are applicable to any in-game truck except for 8x4 chassis configurations.

Love It!!!!. \u041f\u0440\u0438\u043a\u043e\u043b\u044c\u043d\u043e\u0435
\u0434\u043e\u043f\u043b\u043b\u043d\u0435\u0438\u0438\u0435!. Good paintjobs. It's nice, but I wish you guys went more
regal and classical with the Polish paints like you did the Russian ones.. Interesting DLC Pack of Paint even you are not Polish
:). Super PaintJoby teraz na serwerach ka\u017cdy b\u0119dzie wiedzia\u0142 sk\u0105d jesyem :D. very polski. Now I can
really feel like a polish truck driver, I also got the Cabin Accessories Dlc witch includes a laptop. So the Polish starterpack is
complete :)

\u2665\u2665\u2665\u2665\u2665\u2665ma\u0107. Polen space program is one step closer to happening.

Nicely detailed, Poland rocks!. POLAN STRONK. I LOVE IT =). Polish eagle as national emblem should always look to the left side. Here they've placed correct graphic on the left side of whole paintjob, and then simply mirrored it to the right side of painting, so on the right side eagle is incorrect. As a person born in Poland I personally regard it as highly offensive effect of ignorance and laziness.

Polish Flag Metallic and Wings of Freedom paintjobs are those affected, so it's half of this DLC.. Poland has some cool things that they could've featured in these skins but instead they chose these simple flags.
